INVITE

Ramanujan College of Education once again invites you to ANVESHAN-2015. We have successfully organized Anveshan from 2009 onwards which provides opportunity to Pupil teachers to exhibit their knowledge, skill and teaching competency. This year we extend our invitation to UG & PG students of all streams who wish to become teachers in near future. We at Ramanujan are inspired by Srivinas Ramanujan (1887-1920), the great mathematician whose mettle was recognized by the Britishers as well. Ramanujan a natural genius is known for his achievements, rediscovery, self learning and unconventional ideas equally important to become an effective and successful teacher. We sincerely hope that as teachers we imbibe these qualities and ANVESHAN-2015 provides an opportunity to showcase them.
