

RAMANUJAN COLLEGE OF EDUCATION
MITROL, PALWAL
B.Ed (2022-2023)

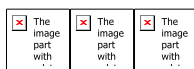

Academic Infrastructure

Classrooms : Spacious and furnished classrooms are equipped with projectors that are essential for a modern educational institution. The latest multimedia technology enables faculty members to have interactive sessions of teaching, which adds confidence and enthusiasm among-st the students.

Library : The college has spacious and well furnished library having approx 5500 books including text books on Teacher Education, Childhood and Growing up, Contemporary India, Teaching and Learning, Yoga and

Health Education, Assessment for Learning and Computer Education and multiple sets of encyclopedia etc. The library also subscribes to 15 journals and periodical related to teacher education and Important National Newspaper. Library has a Book Bank facility, which is helpful in fulfilling student's requirement for the prescribed books on semester basis. Book Bank functions as one section of the library.

Multi Purpose Hall : The college has a multipurpose hall having audio and video facilities like LCD, Slides Projectors, computer, public address system/ Mike and amplifier with speakers, white and pin boards, with a seating capacity of over 200 students, along with a centre stage.

Co-Curriculum Lab : The college has a separate co-curriculum lab, which is a repository of art and creativity of pupil teachers/ students and faculty members. The lab has multiple sets of science apparatus required to perform and demonstrate all the experiments prescribed in the secondary and senior secondary classes. Chemicals, consumables are also available in the required quantity.

Psychology Lab

The college psychology lab has a rich collection of over 100 psychological tests of famous psychologists mainly consisting of apparatus for simple experiments related to Educational Psychology, Intelligence Tests (Performance, non-verbal and verbal), Aptitude Test,

Creativity Tests, Personality Scales, Attitude Tests and Interest Inventories.

Physical and Yoga Lab

Yoga is a science that has been practiced for thousands of years. It consists of ancient theories, observations and principles aimed to unite the mind, the body, and the spirit which is now being proven by modern science. The most important benefit of yoga is physical and mental therapy. Regular time is devoted on practicing Yoga among students. College has a well trained and qualified Yoga teacher / guide under whose observation students practice Yoga.

Round the Clock Internet:

All computers in the labs & offices are interconnected through LAN and in turn get connected to the internet. The college has established its own Radio Microwave Link facility with high speed internet via RF computer for academic use.

Transport Facility:

Transport Facility is available from Faridabad / Palwal / Hodal. College provides bus facility to its students six days of week and during Examination. Transportation facility is also available every time for any kind of emergency. The transport charges are quite reasonable. No transport fee is charged from Girl students.

Medical Facility:

The College has its own dispensary where first aid medical facilities exist for the students and staff members. The college authorities have ensured a duly qualified staff and proper stock of medicines. In addition to the day-to-day attendance to ailments, special attention is paid to the health of the students.
